The Da Vinci II is an architectural work of art that will have you smiling. The primary suite is designed to be elegant and comfortable. Two walls of windows overlooking the covered patio and backyard offer breathtaking views as the sun peeks over the horizon. Set it up as an art studio and paint the glorious dawn. Follow the sun into your multi-windowed great room. Should you serve bunny-shaped pancakes in the gourmet kitchen or in front of the fireplace in the family room? While they chow down, enjoy a cup of coffee on the covered porch. After all, it's Saturday.
