Home Priced At

$351,490

Plan: Oak II

Elevation: Elevation B

4 Bedrooms

2.5 Bathrooms

2,318 Sq. Ft.

The strength of the Oak II lies in its majestic design. It's simplicity itself to rustle up dinner in the gourmet kitchen featuring quartz countertops, stainless steel appliances and a center island. The dining room is steps away but separate from the wide living room. After dinner, throw down a video game challenge. You turned one of the upstairs bedrooms into the ultimate gaming room. Don't let it go to waste. The game room has become a comfortable flex room that easily transitions from home office to media room. Tuck into bed then retreat downstairs to your luxurious primary suite. Enjoy the peace and quiet.

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
