Home Priced At

$399,990

Plan: Stanley II | Windmore

Elevation: Elevation M

4 Bedrooms

3.0 Bathrooms

2,448 Sq. Ft.

The Stanley II is a winning combination of comfort and adaptability. The main floor offers a bedroom with a full bath for guests. Of course, no one could blame you if you crafted an exceptional workout room instead. A wall of windows in the airy living room illuminates the space with natural light that carries into the casual dining area and the spectacular kitchen. Quartz countertops, stainless steel appliances and a gorgeous island ensure the kitchen will be everyone's favorite space. The presence of an upstairs loft near the bedrooms with a full bath creates a home-within-a-home!

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
