**Home Priced At****\$320,900****Plan:** Cypress | Trinity Ranch**Elevation:** Elevation A**4 Bedrooms****3.0 Bathrooms****1,674 Sq. Ft.**

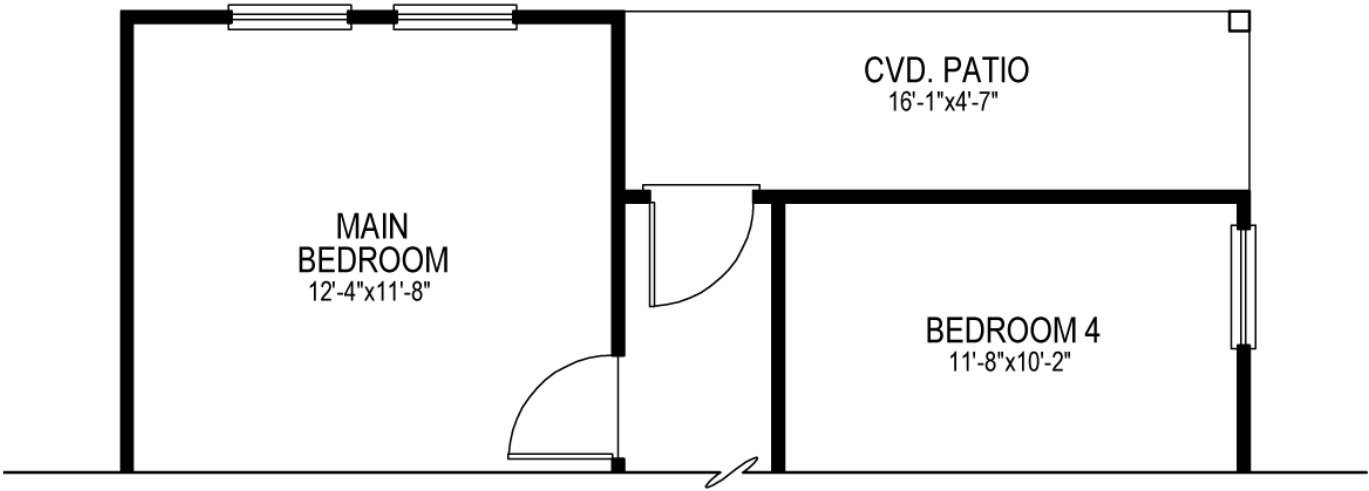

The Cypress, where contemporary elegance meets practical comfort. This thoughtfully designed floor plan offers an inviting blend of open spaces and refined details, making it perfect for both entertaining and everyday living. This layout creates a seamless connection between the kitchen, dining, and living spaces, enhancing the flow and openness of the home. The kitchen is a highlight, featuring a generous island with seating, premium appliances, and ample storage, making it both a functional workspace and a gathering spot.

First Floor

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
