3 Bedrooms

2.0 Bathrooms

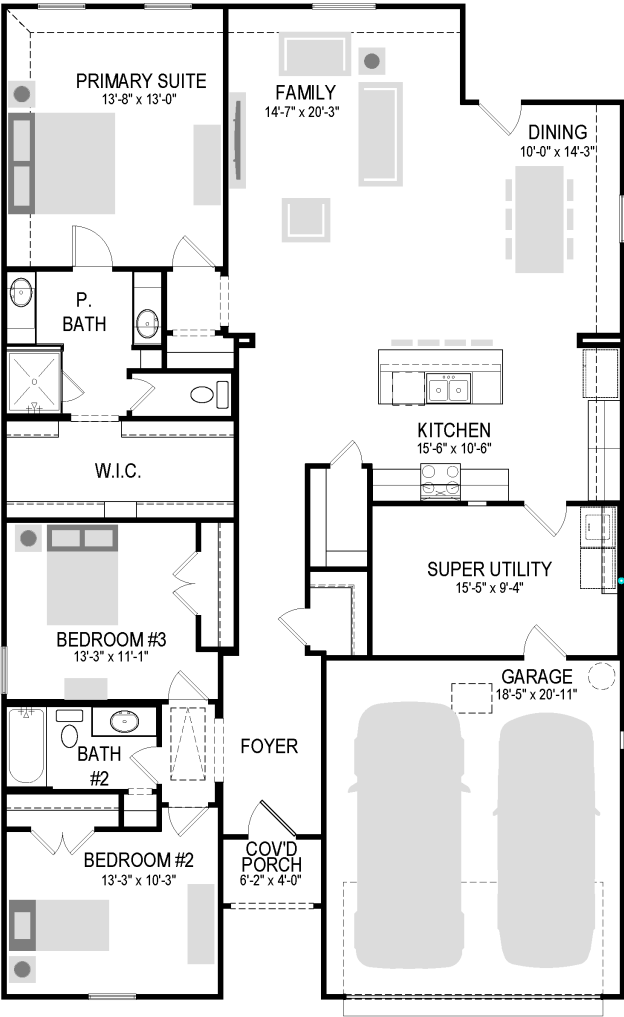

1,965 Sq. Ft.

Meet the Harrison, a three bedroom, two bathroom home blending cozy living with modern touches. A spacious primary bedroom with a walk-in closet and an en-suite bath is complemented by two secondary bedrooms, perfect for guests. The large family room opens to a contemporary kitchen, ideal for both relaxed weekends and casual entertaining.

First Floor

1740 Harrison - 1st FLOOR PLAN

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
