The Sabrina is a superb single-story floor plan designed to inspire your creativity. Unleash your inner interior decorator in the expansive great room. Seamlessly blend the living room, dining area, and kitchen with your unique style and cherished decor. The Sabrina includes two secondary bedrooms that anyone can customize to their tastes. You will love having the additional office space. Alternatively, if you've been thinking about canceling your gym membership and creating the ultimate home workout room, this floor plan is ideal for you!

First Floor

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
