The flexible Willow is everything you want in a home. An oversized study allows you to make quick work of office duties. Or convert one of the upstairs bedrooms into your office and turn the downstairs study into the ultimate bar. Set up an island with bar stools, stock up on liquor and invite guests to sip martinis. Drinks in hand, they can meander over to the beautiful family room, backlit by a wall of windows. Entertain younger guests upstairs in the game room. After the party, sip a glass of wine in the primary suite seating area before turning in.
