2,040 Sq. Ft.

The Elm is a flexible floor plan designed to meet changing needs over time. The open-concept great room serves as the heart of the home, offering space to dine, relax, or entertain. A large kitchen island provides the perfect spot for snacks, meals, or casual gatherings. The spacious primary suite offers room for a sitting area and features a well-appointed bath. Upstairs, the game room adds another area to unwind or host guests. An adjacent bedroom and bath create a private space that can function as a guest suite, living area, or home office.

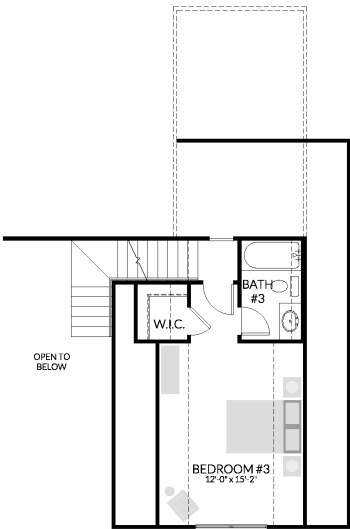

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
