The Elm is a flexible floor plan designed to meet changing needs over time. The open-concept great room serves as the heart of the home, offering space to dine, relax, or entertain. A large kitchen island provides the perfect spot for snacks, meals, or casual gatherings. The spacious primary suite offers room for a sitting area and features a well-appointed bath. Upstairs, the game room adds another area to unwind or host guests. An adjacent bedroom and bath create a private space that can function as a guest suite, living area, or home office.
